(See, e.g., specification at [0249], [0257], and [0270]). Accordingly, these devices and methods are not mutually exclusive.

Accordingly, Applicants believe that, in light of the elections presented herein, claims 21 through 49 are presently under consideration. Applicants expressly reserve their right under 35 U.S.C. § 121 to file one or more divisional applications directed to the non-elected subject matter during the pendency of this application, or an application claiming priority to this application. Applicants respectfully request examination of the elected subject matter on the merits.
